

§ 18.05

(5) Name, office address and business telephone number of person or persons to contact regarding trading.

(6) The following information if a trader makes transactions or holds positions in a futures or option contract where such transactions or positions normally represent a substitute for transactions to be made or positions to be taken at a later time in a physical marketing channel and the transactions or positions are economically appropriate to the reduction of risks in the conduct and management of a commercial enterprise:

(i) Commercial activity associated with use of the option or futures market (*e.g.*, production, merchandising or processing of a cash commodity, asset/liability risk management by depository institutions, security portfolio risk management, etc.)

(ii) Physical commodities underlying use of the futures or option markets.

(iii) Futures or option markets used.
